“Laying a strong foundation.”

Malden Elementary MISSION STATEMENT

 To foster a love of learning
 in our students

 that will empower them to become
 successful lifelong learners
 by engaging them creatively
 with technology and with others.

Night - 3:30

Valentines Party
Feb 10 11:30 -
12:00 (Early Out)

PBL at Malden

PBL stands for Project Based Learning. The students at Malden are working on a PBL entitled “Why Malden is a historically significant community?” Each class has a specific focus that pertains to this topic and matches the learning standards that their grade level is to accomplish. Here is how we create a PBL

1

DRIVING QUESTION

Teachers work together to design a question that guides the work.

2

STANDARDS

Teacher choose standards that will be covered in the PBL and at that grade level.

3

PROJECT

Teachers design interactive experiences that match the standards.

Malden Elementary PBL Day -

Please plan to attend our 1st Annual PBL day on January 31st at 10:00am. You will get to visit every classroom and see the student showcases. At 11:00 the principal will have a Chat and Chew with parents where a light lunch will be provided and a debrief of the day. We would like to have as many people attend as possible to support our students.

ENGRADE - Please check your child's Engrade account. If you need a username please email Mrs. Sayre at jsayre@mail.kana.k12.wv.us

Ronald McDonald presented leadership to the PreK - 3rd grade in January. Ask your child about the keys to

leadership. The presentation was excellent!

FREE BREAKFAST AND LUNCH

Please remember that students have the opportunity to eat breakfast and lunch everyday at school for free. Please encourage your child to eat at school.

Attendance

Please make sure your child is at school on time everyday. Please try to schedule doctor appointments outside of school time so that we do not lose one minute.

A BIG THANK YOU to Malden Baptist for honoring our students with an AR midyear party.
